Vance and Warren Counties are so excited for this joint STEM Opportunity! Activities for the week will include field trips to the Biofuels Center of NC and to the Vance Granville Community College Bioprocessing Lab. Students will focus on lots of hands-on experiments including building a small robot to take home as well as a rocket they build and launch. Many more fun activities but we must keep some secret until you’re here!

To Register:
To guarantee a spot, you must and pay the $30 registration fee and fill out 4-H Enrollment Forms (available at vance.ces.ncsu.edu, Click on 4-H, scroll to links at bottom of page). Call Pam Jones or Ann Burrows with questions at (252) 438-8188.

Spaces are limited; sign up early to avoid missing out on this awesome opportunity!
